

## **How to import SuperheroDJ files into Rekordbox**

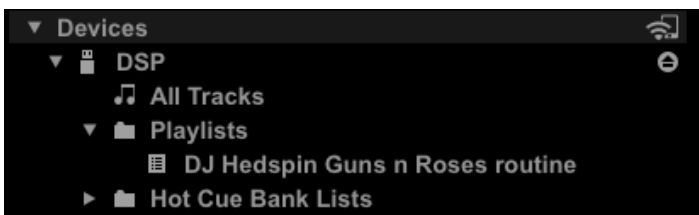

1. Copy the two folders of the respective routine to an empty MS-FAT32 USB stick. While Rekordbox is closed.
2. Open Rekordbox and deny this message to keep your previous settings.

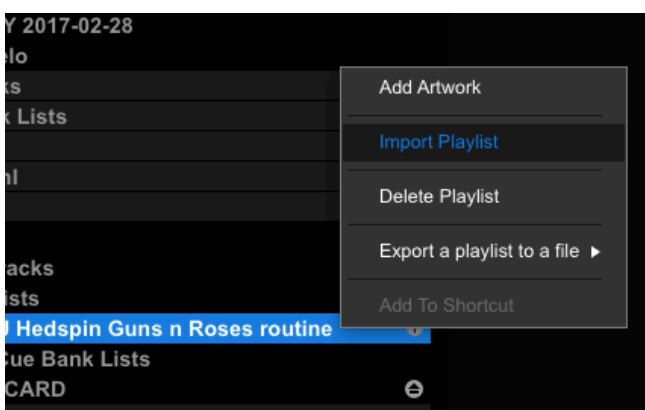

3. In the next steps click on "Do not synchronize with your own tag".

4. Now go to devices and select the USB stick. Click the down arrow ↓

5. Now right-click the Import Playlist button.

6. Last click on copy to copy the files to your hard drive.
